Scottish Pain Research Community (SPaRC) 2nd Annual Scientific Meeting

**29 March 2012
09.30 – 16.00**

West Park Conference Centre, Dundee DD2 1NN

The objectives of the 2nd SPaRC Annual Scientific Meeting will be to:

- Update SPaRC members on pain research
- Share current and recent research between members of the Community (submitted abstracts, invited speakers and posters)
- Identify potential collaborations within the Community
- Identify other possible activities within the Community
- Raise the profile of pain research within Scotland.

Registration at this meeting is free
