

MEDICAL TRAINEES' CONFERENCE 2018

*Organised by the Royal College of Physicians of
Edinburgh Trainees & Members' Committee*

Friday 26 January 2018

Call for Abstracts: Clinical Lessons Prize & Poster Session

Clinical Lessons Prize

Abstracts are invited from Collegiate Members, Associates & Medical Students and Foundation Year Members of any of the UK Royal Colleges for the Clinical Lessons sessions at our symposium planned for January 2018. A prize will be awarded for the best Collegiate Member/Associate presentation and also a prize for the best Student/Foundation Year Member presentation. Those who have been chosen to present will deliver their talk at **The University Place, Oxford Road, Manchester, M13 9QQ**. Cases should be relevant to a general medical audience and should carry a clear lesson.

The format is strictly 8 minutes for presentation and 2 minutes for questions. Presentations should be in MS Powerpoint format, and should not contain too many slides for the allotted time.

Poster Session Prize

Those abstracts that are not selected for oral presentation will be put forward for presentation at our poster session and a prize will be awarded for best poster at the event.

Abstracts should be submitted to a.fairbairn@rcpe.ac.uk NO LATER THAN MIDNIGHT GMT ON SUNDAY 26 NOVEMBER 2017. Abstracts will be accepted as Word or pdf attachments, or within the body of the email text, in the following format:

1. **Presentation Title:** *(Note: The title, in the first slide, should be sufficiently cryptic to prevent the audience from immediately knowing the case's content)*
2. **Presenting Author:** *(Please give your last name or the name by which you wish to be known in capitals (e.g. Dr John SMITH, Dr Abdul MOHAMMED Hussein))*

3. **Contact details of Presenting Author:**

Job title / Student - year of study

Institution

Contact Address

Telephone Number

Primary e-mail address

4. **Student & Foundation Members** – contact details of senior sponsor involved in the case: Name + Position of senior sponsor (e.g. Consultant Gastroenterologist or SpR/ST Rheumatology), Senior sponsor's institution.

5. **Body of Abstract** (*MUST NOT EXCEED 200 WORDS*). *This should give brief details of the case, state clearly the lesson to be presented and state what illustrations will be used e.g. CXR, ECG, histology, clinical photographs etc.*

6. **Travel expenses:** *Those who are invited to present at the symposium should approach their Deanery for study leave and travel expenses..*
