PHYSICIANS of
EDINBURGH

Course

Acute Medicine for the Generalist

Thursday 27 – Friday 28 June 2024

You are invited to join us for this year's two day online course on 27th and 28th June 2024, which takes a top-to-toe approach to common themes in Acute Medicine, with a selection of topics that we hope will educate, refresh and inspire.

This online course will be relevant to all members of the medical profession, including undergraduate and postgraduates, who are looking for an update on Acute Medicine.

This online 2 day course will cover the following themes:

- Neurology
- Respiratory
- Cardiology
- Case based discussions: Medicine of the Elderly, Diabetes & Endocrine
- Gastrointestinal
- Call from the lab
- Renal Medicine
- Case Based Discussion: "Please could you review...."
