Medicine of Older People

Symposium | Friday 11 March 2021

Session 1: Delivering excellent comprehensive geriatric care – across home and hospital

- How can we 'get it right first time' for older people?
- Older people with multiple long term conditions part 1 – can we bring the hospital in to the home?
- Older people with multiple long term conditions part 2 – a Care Home perspective

Session 2: Managing the older person with...

- Optimising brain health: 'Aducanumab' or 'Adu-can't-umab'?
- Keynote Lecture: Organisational, social and cultural determinants of healthcare delivery for older people: Professor Paul Gray, Senior Faculty Member on the Quality Governance Collaborative, RCPE

Session 3: Managing the older person with...

- Parkinson's disease and acute illness
- Osteoporosis
- Anaemia

Session 4

- End stage renal disease

- Unintentional weight loss

Programme may be subject change.

Guest speakers include:

Professor Edwina Brown • Professor Margot Gosney
Dr Adrian Hopper • Professor Rob Howard •
Professor Daniel Lasserson • Dr Shelagh O'Riordan
Dr Edward Richfield

All grades of medical, nursing, scientific staff, allied health professionals and medical students are most welcome.

Early Bird
discount ends on
10 Feb 2022

There are full and half-day options so you can book for as much or as little of the programme as you wish.

The symposium will be on our website for 28 days after the symposium so you can catch-up or re-watch any talks in your own time.
