Sarcoma

Breast Cancer

Head and Neck Cancer

Upper GI Cancer

Skin Cancer / Melanoma

Lung Cancer

Lymphoma

We are delighted that we are able to deliver this valuable course in person again. **This event includes dinner in the college on Thursday 16 March 2023.**

In response to feedback, our new format will vary between pre-recorded talks with the opportunity to submit questions, and live multi-disciplinary style panel discussions of clinical cases. The talks will be available to registered delegates from Monday 27 February 2023 to allow time for delegates to watch them in preparation for the in person part of the course.

This 3 day 'in person' course with additional 'library' of online talks, is designed for trainees in Clinical Oncology at the start of their preparation for the FRCR exam part 2 and trainees in Medical Oncology at the start of their preparation for MRCP(UK) Specialty Certificate Examination in Medical Oncology. Specialty Doctors in Oncology find the course very useful, as do Consultants looking for a refresher. Specialist Nurses often attend too.

For further details and to book online visit: events.rcpe.ac.uk

or from:

Marie Allan, Education Coordinator

Tel: +44 (0) 131 247 3680

Email: m.allan@rcpe.ac.uk

Early Bird discount ends on **14 Feb 2023**

 Talks available to delegates on our **Education Portal** for 12 months post-event.
