

ROYAL
COLLEGE of
PHYSICIANS of
EDINBURGH

61st St Andrew's Day Festival Symposium: Updates on Acute Medicine

Online | Thursday 25– Friday 26 November 2021

Thursday 25 November

Front door emergencies

- Endocrine emergencies
- The many faces of thrombosis and its care in COVID-19 infection and vaccination
- Managing arrhythmias at the front door

Learning from the pandemic

- Epidemiology of COVID-19 – what we've learnt from the CCP-UK study
- Keynote Lecture: 'Pandemics – what have we learned?'

21st century healthcare...and beyond!

- Hype, hubris and hope: the use of technology in managing long-term conditions
- Big data – supporting decisions and improving patient care
- Social media for science communication and education

Post-take ward round: what not to miss

- Neurology
- Anaphylaxis during the pandemic
- Hyponatraemia

There are full and half-day options so you can book for as much or as little of the programme as you wish.

The symposium will be on our website for 28 days after the symposium so you can catch-up or re-watch any talks in your own time.

Friday 26 November

Alcohol and drugs – managing at the front door and beyond

- Minimum unit pricing – is it working?
- Drugs and alcohol at the front door
- Abnormal liver function tests

How can you improve the wellbeing of your team

- Caring for doctors as well as their patients
- Learning from complaints

Frailty at the front door

- Acute kidney injury and the ageing kidney
- Complex multimorbidity
- Managing frailty at the front door

Managing discussions about deterioration – in my experience

- The patient
- The ITU team
- The acute team
- The geriatrician

All grades of medical, nursing, scientific staff, allied health professionals and medical students are most welcome.

The programme may be subject to change.

An early
bird discount
will be available
until
**27 October
2021**
