PHYSICIANS of
EDINBURGH

Tackling old and new foes in the global fight against infectious diseases

Online | Thursday 3 June 2021

Change and innovation in infectious disease management

- Prevention and management of congenital infection - remember the congenital “STIs”
- Climate change and global expansion of viral haemorrhagic fevers
- Neglected tropical diseases: modern approaches to old diseases

Control and elimination of major infectious diseases

- Hepatitis C in Scotland: recently arrived but soon to depart?
- Sir John Crofton Lecture: ‘Addressing pandemics old and new: current challenges and opportunities in control of tuberculosis and Covid-19’ by Dr Soumya Swaminathan, Chief Scientist, WHO

Global ward round

- Cases from Africa
- Cases from Syria / Middle East
- Cases from Latin America

An early bird discount will be available until **5 May 2021**

 #rcpeID21

CPD +6
Credits

People at risk and underserved populations

- The unequal pandemic: Covid-19 and health inequalities
- Go to the people: offering better medical care to the homeless
- Human trafficking and health: a global health concern

Guest speakers include:

Dr Aula Abbara • Prof Clare Bamba • Prof John Dillon
Dr Hermione Lyall • Prof David Mabey
Prof Neelika Malavige • Prof David Moore
Prof Henry Mwandumba • Dr James Withers
Prof Cathy Zimmerman

All grades of medical, nursing, scientific staff, allied health professionals and medical students are welcome.

There are full and half-day options so you can book for as much or as little of the programme as you wish.

The symposium will be on our website for 28 days after the symposium so you can catch-up or re-watch any talks in your own time.

For further details and to book online: events.rcpe.ac.uk

or from: **Eileen Strawn**, Symposia Coordinator | Tel: +44 (0)131 247 3619 | Email: E.Strawn@rcpe.ac.uk
