

Symposium

Rehabilitation Medicine

Wednesday 30 October 2024

This online symposium aims to bring together leading experts to delve into critical topics shaping the field, from the evolution of rehabilitation medicine to its future under the WHO 2030 agenda.

Topics to be covered include:

- Rehabilitation medicine, past, present, future (including WHO 2030)
- Post conflict rehabilitation
- Post critical care rehabilitation
- Post Covid-19 rehabilitation
- Mental health support services post Covid-19 infection
- Best interest decision making in rehabilitation medicine
- Recommended summary plan for emergency care and treatment (ReSPECT)
- Thinking ahead: rehabilitative conversations in neuro-progressive conditions
- Management of concussion and rehabilitation post-concussion
- Life after stroke

Organising Committee Chair
 Dr Lynne Hutton
 Consultant in Rehabilitation Medicine
 Astley Ainslie Hospital
 Edinburgh
 EH9 2HL

All grades of medical, nursing, scientific staff, allied health professionals and medical students are most welcome.
