

ROYAL
COLLEGE of
PHYSICIANS of
EDINBURGH

Respiratory Medicine

Online | Thursday 4 March 2021

Looking forward: novel ways of making your service thrive

- Never the same again – how has COVID-19 led to changes in the ways we work?
- Think differently – using nursing specialists
- From Florence with love

Managing extra: thoracic aspects of breathlessness

- Laryngeal dysfunction presenting to the chest clinic
- Keynote Lecture: ‘Obesity and the other elephant in the room’ by Professor Roy Taylor, Newcastle University

“The walking wounded”

- Managing pulmonary embolism as an out-patient
- Community management of chronic obstructive pulmonary disease (COPD) – where are we?

COPD beyond inhalers

- The role of palliative care in non-cancer lung disease – the management of breathlessness
- Lung volume reduction multidisciplinary team

Guest speakers include:

Dr Hannah Bayes • Mr Rocco Bilancia
Dr Gourab Choudhury • Dr Colin Church
Ms Corrine Clark • Dr Claire Douglas
Professor Stephen Fowler • Ms Jenn Latham
Mrs Fiona Reid

All general internal medical and respiratory specialists, GPs, doctors in training, allied health care professionals and medical students are welcome.

An early bird discount will be available until
3 February 2021

There are full and half-day options so you can book for as much or as little of the programme as you wish.

The symposium will be on our website for 14 days after the symposium so you can catch-up or re-watch any talks in your own time.
