RCPE & RCSEd in Association with AoMRC Conference: Women in Leadership

In-person and online | Thursday 27 – Friday 28 April 2023

We are delighted to present a two day event celebrating Women in Leadership. The event draws together an international collection of experts, inspiring role models and disruptors, with a one day conference at the Royal College of Physicians of Edinburgh followed by a one day interactive event with talks & workshops at the Royal College of Surgeons of Edinburgh.

Attend in-person or online on Thursday 27th April and in-person only on Friday 28th April. A social event on 27th April will enable speakers and delegates to network.

Keynotes:

- Championing women in leadership
- How organisations can help women reach their potential.

Guest speakers include: Dame Anne Richards and Professor Dame Sally Davies

Topics include:

- The gender pay gap in medicine
- Leadership & role-modelling: incorporating intersectional identities
- Women's leadership in medicine during the pandemic
- Challenging the culture of undermining & bullying in medicine
- The impact of biology on career progression & opportunities in clinical medicine
- Social media & the safety of women online

Workshops:

Resilience Workshops . Leadership for trainees & SAS doctors . Inspiring trainees to become clinical leaders . SAS doctors leading the way . How to break the bias as a trainee . Challenging the culture of sexual misconduct in medicine
